Merry Christmas from our family to yours

As we come to the end of 2022, we want to express our deepest thanks and gratitude for your prayers, support, and partnership. Paul often wrote in his letters, *"I thank my God every time I remember you,"* and we echo that sentiment when we think of you. We love, appreciate and thank God for you.

Paul also wrote of the joy he experienced because of the partnership he had with other believers in the early church. Our hearts overflow with joy as we work together to help fulfill the vision and mandate God has for the Dominican Republic. Your partnership is deeply meaningful and encouraging, and fills us with expectation for the plans and purposes God has in the coming days. Together we will see the Good News shared, lives changed, and the Kingdom of God in the Dominican Republic and Haiti advance every day.

We pray for you with confidence that "He who began a good work in you will carry it on to completion" in every area of your life. Over this Christmas season we will be especially praying that you will know God as your strength, refuge, and salvation and He will fill your heart with joy, peace, and praise. *Adrian & Sharon and family*

Thank you for an amazing year!

GOOD NEWS FOR ALL PEOPLE!

The message of HOPE we celebrate each Christmas is for all people! This Christmas consider a Short Term Missions in 2023 to spread that HOPE to others. Starting January 2023 we will be hosting Short Term Teams in our new Ministry Development Centre location. We are so excited to be hosting teams again. We have missed you!

Over the last couple years the ministry has grown and we need extra hands to complete projects, assist in community outreaches, establishing new ministries, and meet the needs in the local churches. Our vision is about linking arms with national leaders and coming along side them to help them fulfill the vision God has given them for their communities! Help us enable them to fulfil that vision!
