Welcome Centre

The Welcome Centre is a key entry point for Newcomers experiencing our church for the first time. Our hospitality plays a role in determining whether a first-time visitor will return or not and whether they get engaged in church life during the week i.e., smaller groups.

Welcome Team Members oversee the kiosks by giving Newcomers a warm and enthusiastic welcome and engaging them in just enough conversation to help a newcomer feel at home and to answer any questions they might have. You will need to be familiar with using a tablet and with helping guests peruse the website, so they know where to access information they want at any time.
